

# Toyota Hilux 4WD

83-97 Solid Axle

## Drag Links

The Roadsafe Heavy Duty Drag Links to suit Solid Axle Hilux is now available. TR6589 suits for the earlier models with the shorter TE659R/658 Outer tie rod ends. TR6590 suits for the later models with the longer TE3721/3720 ends. The rod itself is upgraded from standard to 30mm OD Tube featuring 5.15mm wall thickness.
