

4WD 'HD' Ends Heavy Duty Tie Rod Ends

Roadsafe have redesigned the HD 4WD Tie Rod Ends to allow for increased longevity of the joint. The wall of the retaining lip has been extended on the inside of the housing to envelop more of the ball stud. This ensures that when the housing is assembled, during shock loading, the ball stud can no longer experience any lateral (side to side) movement. Now available to suit....

Part Number	Description	Application	Thread	Length
NISSAN PATROL				
TE3664RHD	Nissan Patrol MQ-GQ 4/80-10/91 (Leaf) LH Outer	Male with hole	25x1.5 RH	228mm
