

# Upgrade Patrol GU Protection Plates

We've upgraded our protection plates to suit Nissan Patrol GU to now fit with lifted vehicles. The BP027 plates are a direct bolt on option to suit for standard & lifted Nissan Patrol GU 3.0L Diesel & 4.5L Petrol (up to & including TD42 series 3). The front plate will not bolt on directly for TD42 series 4-on due to the lower positioned radiator.

Part Number	Description
BP027-1	Front Plate
BP027-2	Mid Plate
BP027-3	Rear Plate
BP027-PACK	3 plate pack (Front, Mid & Rear)
