

Roadsafe 4WD - New 'Edition 2' Catalogue

The long awaited 'Edition 2' Roadsafe 4WD Catalogue is now available from Roadsafe.

The new 52 page catalogue clearly outlines the Roadsafe 4WD product range, featuring upgraded standard replacement parts through to competition vehicle upgrade components.

The Roadsafe 4WD range consists of over 425 specific numbers, covering over 500 vehicle specific applications (all catalogued in this new Edition 2 publication) plus universal applications.

A huge expansion of the original 36 page Edition 1 version that featured 235 specific numbers, covering 400 vehicle applications.

New Edition 2 Roadsafe 4WD Catalogue inclusions feature...

- Range expansions on Adjustable Panhard Rods & Trailing Arms
- A Cross Reference from Long Rods to relevant ends & bushings (& vice versa)
- New Patrol Hybrid Radius Arms
- A full range of Roadsafe Strengthening Brackets & Driveline Spacers
- Range expansion on Extended Shackles & Coil Strut Spacers
- Improved application information for Wheel Spacer fitments
- Battery Trays & Underbody Protection
- Roadsafe Recovery & general recovery information
- General Offroad & Towing Accessories
- Firesticks – Campfire Cooking Made Easy

A huge array of new components have been added to this new catalogue, to make it the most comprehensive 4WD listing Roadsafe has ever produced.

Roadsafe 4WD offer a high quality, affordable range of components specifically for the 4WD market. Roadsafe have been supplying passenger vehicle chassis components in Australia for over 30 years, and have a very strong reputation in the Australian Automotive Aftermarket.

Roadsafe offer Australia's largest front end range, with new product constantly in development. As a testament to quality and supply ability, Roadsafe supply to many of the leading distributors in the industry.

Several years ago a new program was initiated focusing on the 4WD sector. Recognising a need for high quality components and consistency in supply, Roadsafe 4WD was launched and has quickly developed a large range of essential Steering & Suspension, and associated components for the 4WD industry.

Be assured when you purchase Roadsafe 4WD branded suspension products, you will have a top quality item, fully warranted, and developed to suit Australian conditions.

In addition to the Edition 2 catalogued items, Roadsafe 4WD also offer a standard range of over 500 4WD specific replacement components such as Ball Joints, Tie Rod Ends, Sway Bar Links, Idler & Pitman Arms – that can be located and cross referenced in the Roadsafe passenger vehicle catalogue.

The new Roadsafe 4WD catalogue is not just a listing of part numbers however, the book also features a lot of explanatory information, pictures and advice on suitable components to really aid the end user in making the right decision for their vehicle.

The Edition 2 Roadsafe 4WD Catalogue continues the printing as a deviation from 'the norm', designed in Landscape, to enable each page to be fully utilised in the most suitable format. Additionally, each component has been listed with Recommended Retail Pricing (RRP's) to make pricing a breeze.
