

Mazda3 (BK) 04-09

Front Lower Control Arms

Roadsafe are pleased to announce the release of new Front Lower Control Arms to suit the hugely popular 2004-09 Mazda3 (BK model). Now available, the arms are supplied complete with premium quality ball joints and urethane bushings. The complete Mazda3 arm solutions eliminate the need for specialised labour and tools specifically required to remove and replace the intricate bushings located in the rear mount of the arm.
