

Sway Bar Drop Out Pin **Suits the STB8828ET & 8833ET links**

Now available is a drop out pin kit to suit for the Roadsafe Extended Sway Bar Links (STB8828ET & STB8833ET). There are two new kits available. Kit one (STBDISC) is the the pin kit, and Kit two (STBDISC-KIT) is a service kit, so you can have spares on the ready (for when you inevitably lose either the collar or ring pin). Simple to use, and allows you to readily disconnect the sway bar links as required.
