

Tow Point Merchandiser

Including 16 tow points

Featuring 14 Different Tow Point applications the new Roadsafe Tow Point Merchandiser provides you a simple storage & display option to grow your Tow Point Sales. The Roadsafe rated Heavy Duty Tow Points are a must for 4WD's and a quickly growing category. The new Roadsafe Tow Point Merchandiser takes up a small amount of floor space and works as a genuine display, featuring easy to read Tow Point Application guide plus easy reference images. The Application guide also includes mobile QR codes for quick reference to the online installation instructions, for additional information where required.
