

RAP485A - November 2017

**TRAILING ARM**

COMPATIBLE WITH

**NISSAN PATROL GQ / GU****SOLID  
36MM OD**

Upgraded from standard factory specs the New Roadsafe designed heavy duty adjustable Rear Lower Trailing Arms for Nissan Patrol GQ & GU are now available. The new lower arms are suitable for vehicles from standard height to 2"+ lift. Featuring factory spec high flex rubber bushings and Heavy Duty 36mm solid steel bar the Roadsafe arms offer you a tough alternative to your standard factory items. Finished in Black E-coat for discreet fitment, the on-car adjustable Roadsafe arms offer over 35mm of adjustability to aid in restoring pinion angles. Avoid the common bending of the standard factory arms, and the ongoing pinion issues, by upgrading to Roadsafe arms.
