

ALLOY HAWSE FAIRLEADS **STANDARD & OFFSET**

SB627

Part Number SB627
Standard Alloy Fairlead
Barcode 9319478642355
RRP* \$60.00

Designed to suit synthetic winch rope, the Roadsafe Alloy Hawse Fairleads aid in directing winch rope on/off the winch via a smooth 'mouth' to avoid sharp edges found on the bull bar.

SB626

Part Number SB626
Offset Alloy Fairlead
Barcode 9319478637689
RRP* \$70.00

Good quality synthetic rope is expensive. Make sure you look after it with a quality Roadsafe Alloy Hawse Fairlead.
