Outer 'Long' Tie Rod End Compatible with XR Falcon

Roadsafe are pleased to re-release TE414RC - Outer Tie Rod End to suit XR Falcon (replacing OE C60Z3A130A). Not having been available for some years, the new TE414RC compliments the Roadsafe 'Classic' Parts range.

Featuring traditional greasable hard to hard construction with castellated nut, the TE414RC has been designed to replicate the OE look restorers are after.

Roadsafe Classic - When everything old is new again!
