

VEHICLE Toyota 200 Landcruiser
PRODUCT Recovery Tow Point
PRODUCT CODE RPCRU200V3
BARCODE 9319478660533

To keep up with accessory changes, Roadsafe have introduced a new tow point design compatible with the Toyota Landcruiser 200 series. The new RPCRU200V3 reference sees a third series progression of this popular recovery component, now designed to fit with Factory Bumper and ARB Summit Bar. The new design also features a new profile that provides for a neater fit and improved clearances.

FEATURING SOFT SHACKLE-FRIENDLY RADIUS

NOW THICKER, HEAVIER AND MUCH MORE ROBUST! ALSO SUITABLE FOR FITMENT WITH KDSS MODELS
