

ABS WIRE RELOCATION KIT **TOYOTA LANDCRUISER 76-79**

SB019

Part Number SB019

RRP* \$80.00

ABS Wire Bracket Relocation Kit

Barcode 9319478633773

The 76-79 Landcruiser, when lifted, puts tension on the ABS wire. The Roadsafe SB019 ABS Wire Relocation Kit, for ABS models, is designed to relocate the ABS wire mount location, and reduce the tension on the ABS wire.
