

Aluminium Plates

Toyota Hilux 05-on

Due to customer demand we've put together some limited sets of Aluminium Protection Plates (Front, Mid & Rear) to suit for the Hilux 05-on. The new Aluminium plates come in 4mm for front/mid & 6mm for rear.

Offering great under body protection with strength & robustness, the Aluminium plates are about 1/2 the weight of the steel options.

Front
(BP001A-1)Mid
(BP001A-2)Rear
