

Roadsafe 4WD Recovery

Roadsafe offer a great range of Recovery straps, with each one individually designed to suit its purpose, so you can have the right strap for the right application. The Roadsafe Recovery straps are tested to certified standards, stamped and tagged rated, and come complete with fully sewn eyes & protective sleeves. The new stocks of Snatch Straps (parts SB602 & SB603) have been manufactured with new style side stitching to provide for 20% kinetic stretch. Competitively priced and packaged in Retail orientated Roadsafe 4WD boxing, Roadsafe Recovery straps are a great addition to any showroom for Retail sale.
