## SUPER DUTY LOCKING HITCH PIN

DESIGNED AND DEVELOPED BY MISTER HITCHES

This easy fitting high security, high capacity hitch pin lock helps to prevent theft of your tow hitch and can also be used with a Poly Block style coupling to protect the trailer or caravan from theft. This locking pin fits to a standard receiver style hitch and has a useable length of up to 79mm and also a whopping 10,000kg Double Shear strength. The Hi-Vis yellow pin sleeves tells the would-be thieves from a distance that this hitch or trailer is protected.

### FEATURES:

- 5/8" diameter high strength hardened steel pin
- Rated to give a double shear strength of 10,000kg
- Includes 2 keys
- Suits receiver style hitches up to 79mm wide
- Chrome plated
- Hi-Vis yellow rubber sleeves
- Rated to suit a 3.5t or 4.5t towing system
- Anti theft
