## BONNET SCOOP GUARD

COMPATIBLE WITH TOYOTA LANDCRUISER 76/78/79" SERIES

Intercooler guards specifically designed to fit the inside of the late model 79 Land Cruisers bulged bonnet to prevent excessive leaf litter, branches and other robust objects that shouldn't be there! Manufactured from either Stainless Steel or a Black E-coat finish with a moderately sized hexagonal pattern to maximise airflow.

**STAINLESS STEEL OR  
BLACK E-COATED FINISH**
