UNDER BONNET DUAL BATTERY TRAY

COMPATIBLE WITH MITSUBISHI – PAJERO QE SPORT & MQ/MR TRITON

Like all Roadsafe 4WD products, our battery trays are built to handle the toughest situations, simply because we 'overkill' the design! We have built our battery tray's tough, because we know the locations they are going to be tested. Made in Australia, the Roadsafe 4WD battery tray range is second to none!
